Eschler Editing gave me some of the best feedback I’ve ever gotten on a manuscript, helping me turn a good book into a great one—and they were amazingly quick about it, too. I couldn’t be happier with their work, and I look forward to working with them again.

Dan Wells,  
*New York Times* Best Seller

I asked Eschler Editing for help with plot and structure on my novel *Numbers Game*—and also issued a challenge: I needed 20K words cut from my manuscript . . . *Numbers Game* soared on Amazon—hitting #1 in two categories (passing up *Divergent* and *Hunger Games* a couple times) and is now an international best seller, so I’m pretty happy!

Rebecca Rode  
Best-Selling Author
